Students aspiring for Engineering while choosing Coaching partner needs to be more prudent and choose JEE Advance coaching only if they plan to target IITs & IISER. Pls note that all other engineering colleges take admissions through JEE Main which even encompasses other exams like BITSAT, VITEEE, SRM, Manipal and MHCET. Hence do not burden yourself by choosing Advance coaching and save unnecessary pressure and money. 20600 students in 2015 joined the advance coaching and a lot of them had to leave halfway.
